**For Former Carrollton Eye Clinic Patients**

Option 1. If you want to become a patient of Dr. Berry, Dr. Thomas or Dr. Yancey and Georgia Vision Institute, you sign under Option 1. The Georgia Vision Institute will have full permission to access to your Carrollton Eye Clinic electronic medical record. This will be completed at no charge to you.

I Choose Option 1. \_\_\_\_\_

Option 2. If you do not want to be a patient of Dr. Berry, Dr. Thomas or Dr. Yancey and Georgia Vision Institute, you may sign under option 2. This will give Georgia Vision Institute permission to access your Carrollton Eye Clinic electronic medical record and generate a paper copy for you to pick up in two to four weeks. The charge for access, retrieval, certification and printing of records will be \$34 plus \$0.90 per page. \_

I Choose Option 2. \_\_\_\_\_

Georgia Vision Institute does not have access to any paper records of the Carrollton Eye Clinic.
